

### Tan Hoa 1's Overview:

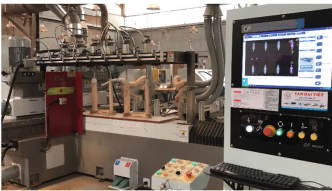

Tan Hoa 1 Co., Ltd. was established in 2001 and the factory is located in Dong Nai with area of 12,000 m<sup>2</sup>. In order to ensure the good working environment for our employees as well as the citizens near our factory, we planted many big Keruing Trees to purify the air. Therefore, our all employees still feel comfortable even they are working in summer season.

We have around 300 employees and we also have dormitory for employees who live far from company. We also have a canteen, so we provided free lunches as well as the dinners for employees. Living and having meal in the Company, our human resources are very stable. Also, we always care about social responsibility and in order to maintain this, we have participated BSCI from 2017.

### Factory's Facilities

With upgrading technology, in order not to be out of date, we are continuously updated to modernize machines such as CNC Mortising Machine, CNC Double Tenon Machine, CNC Bilateral Milling Machine, OptiCut, Router CNC. We also have CD Department ( Cutting Wooden log into Wooden Board), Boiling System ( Boiling wood to extract resin, kill insects inside wood and avoid crashing during drying), Oven systems (to make sure the moisture of wood materials is always under 14%), Bending machine ( Make curve for wooden slats).

## Our product

Tan Hoa 1 Co., Ltd. specializes in producing outdoor furniture, including tables, chairs, swing chairs, sunloungers, parasols, deck tiles, flower boxes.

### 1. Quality

Our product's quality is currently serving for middle- and high-quality markets.

Regarding our products, quality must be evaluated based on three standards:

- Structure: is strong and solid to reach the highest durability and longest life-cycle as well as guaranteeing for user's safety.
- Finishing surface: is perfect and match with customer's requirements.
- Safety for user: Tan Hoa 1 commits to not using harmful materials that create dangerous to furniture users as well as affecting to the prestige of our customers and business partners. Our all products meet EN581 Standard.

With the declaration: "The commitment to Quality", we always change and develop our production & quality-control system to bring continuous developed value to our customers and in order to maintain this, we have participated and will be evaluated ISO 9001:2015 in February 2020.

### 2. Materials

We have many years of experience working with different types of wood such as Teak, Yellow Balau, Keruing, Eucalyptus and Acacia. All woods have FSC or meet EU Timber regulation. Our Company already has FSC COC Certificate.

From 2018, we start combining more materials to make product diversification such as using metal, rope, wicker and stone.

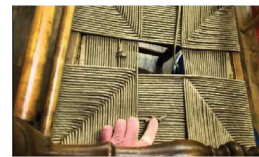

### 3. Our markets

Our main export-markets are USA, Europe, Korea, and Japan.

We are sincerely welcome all customers from different countries and areas in the world.
